This is the perfect family home! Walk to schools, the Aspen Rec Center and rare ski-in/ski-out access to the Five Trees Lift – a dream kid-friendly location. This is truly a 'secret garden' tucked away in a quiet private neighborhood five minutes to town. Luxury finishes with 5 corner en-suite bedrooms with outdoor walk-outs, a beautiful theatre, gigantic playroom and exercise room. The large flat lot bordering Open Space is a virtual playground – stone patios, running streams, fire pit camp and a glorious ski trail. Make it your own secret playhouse. \$9,875,000
