Aug 30, 2023: JUST ANNOUNCED - 1ST PLACE ASID COLORADO CRYSTAL AWARDS RESIDENTIAL:

RENOVATION UNDER 5,000 SQUARE FEET*: Located directly off Ute Ave and only a four-minute flat walk to the Aspen Mountain Gondola sits this stunning and beautiful corner condo with arguably the highest quality renovated interior of any Aspen condo in recent history. Very private...yet close to it all. The professionally designed 2023 Aspen Alpine Chic interior is modern yet warm and inviting. Beautiful white oak walls, gorgeous wool carpet textures and colors with exquisite quality throughout. The future oriented design moves forward and away from the ubiquitous "all white, all-grey contemp. box" look. The home includes the highest level of fixtures and appliances including heated bathroom floors, a steam shower and private ski storage as well as two balconies off each corner side. Offered fully furnished with art. Just three blocks from downtown, it is located within Aspen's most full-service amenity-driven complex with two swimming pools, hot tubs, tennis courts, fitness center, on-demand house keeping, white glove concierge service, complete shuttle transport throughout town and airport, and lodging exempt condo-hotel STR permit status with no use limits and managed in-house. (*ASID: American Society of Interior Designers awarded to designer Ann Grice and Whitney Norton for this 'Aspen Jewel Box'. Aug 30, 2023.)
